One of the websites (blogs) I follow on daily basis is published by Jeremy Schoemaker. Jeremy is the guy known as an online advertising expert and his blog shoemoney.com feeds thousands of subscribers. Recently he posted a review on Register.com [...]

One of the websites (blogs) I follow on daily basis is published by Jeremy Schoemaker. Jeremy is the guy known as an online advertising expert and his blog shoemoney.com feeds thousands of subscribers. Recently he posted a review on Register.com which I thought you might be interested in checking out. So here's the link to shoemaker's review on Register.com
